## **Mod Moms PLAYGROUP SIGN-UP AND INFORMATION FORM**

One reason mothers join a Moms group is to get their child(ren) involved in a playgroup. To help make this a smooth process, please read and complete the following information.

### **PURPOSE**

Playgroups usually meet weekly at a designated time and place, for the purpose of providing socialization for the children and some much-needed socialization for the moms. The groups are generally between 6-12 Mothers with children within a six-month age range.

### **PLAYGROUP RULES**

We suggest that each playgroup determine a set of ground rules for themselves. The moms should anticipate problems that may occur and how they will handle them when they do. Some problem behaviors they can expect are fighting, grabbing, hitting or biting. It would be helpful to discuss: parenting styles, discipline, parent intervention, health issues, or any other issue you think may arise in the group situation. The goal here is to have an open discussion, without judgment, so the group as a whole can make some decisions about how problem situations will be handled before they occur.

### **COURTESY**

Another important discussion to have is on the subject of courtesy. A few examples:

- Not attending playgroup when a mom or child is ill.
- Direct communication between members. Refraining from gossip.
- Being a courteous guest when meeting in someone's home.
- Letting someone know when you will or cannot attend.

### **PLAYGROUP REPRESENTATIVE**

Each playgroup has a Representative who acts as the liaison between the playgroup and the Playgroup Coordinator, letting the Coordinators know if there are any problems in the group, if the meeting day or time changes, if any of the members leave the group. The Representative is typically the one who makes the playgroups' schedule and/or informs members of a change in the meeting schedule.

### **PLAYGROUP PLACEMENT PROCEDURES**

Once you complete this form and join Mod Moms, the Playgroup Coordinators will try to find a group suitable for you and your child(ren) based upon the information you give them. The Representative from the group they want to place you in will then contact you. The Playgroup Coordinators will contact you:

- If they have questions.
- Once they find an appropriate playgroup for you, and
- To let you know that you should expect a call or email within a week from your new Playgroup Representative.
- This process can take a few weeks. Please be patient.

Remember the main purpose of the playgroup and Mod Moms is to provide moms with support and to have fun together!

There is some work involved in the beginning but after a short adjustment period, members are usually happy with their playgroups.

If you have any problems, questions, or suggestions, feel free to contact the Playgroup Coordinators.

Please list below the children you want placed in a playgroup, along with their birthdates and days that you and your children are available.
